

BULLETIN OF THE

POLONUS PHILATELIC SOCIETY

Issue No. 52

March 1947

The Presidents Message

The year 1947 offers the Polonus Philatelic Society the opportunity of continuing its activities of the past seven years, during which we have seen our Society, in spite of six years of war, progress in its task of bringing Polish philately to the peoples of the Western hemisphere and many other parts of the world.

Perhaps the rays of Peace will permit us to continue our philatelic pursuits in a normal and progressive manner, and with the aid of our fellow philatelists in the four corners of the world, enable us to spread the gospel of Polish philately and to assume its rightful place with other major philatelic countries.

Eight Polpex exhibits have been held and because of them the word "Polpex" has reached the world over. This widespread publicity has established Polonus at the forefront of philately; a position which is our duty and privilege to maintain. This extensive work has been carried on throughout the past seven years with the untiring devotion and sacrifice of time by its members, the various Committees, the Polpex Committees, Officers, and the membership in general. Each has contributed to the long hard task of helping to make Polonus what it is today.

The past year has seen more and more aid requested of our "Experts" Committee on material of the highest caliber and because of the acquisition of very valuable reference material by

a member of Polonus who has gratuitously permitted its use, the work was greatly facilitated.

The Polonus Bulletin continues to be the most important factor to consider. It is our means of disseminating information on the Stamps of Poland, and the activities of our members. As a medium of publicity it is unsurpassed. But this Bulletin must be the effort of ALL of the members. If every member would contribute some information, an article, or a lot of news it would aid in relieving the burdensome work which now falls on just a few, a very few. We cannot with justice condone the attitude of those members who neglect their responsibilities in this matter. Without this help the Bulletin cannot be and will not be the type of Bulletin we would all like, and without a good Bulletin the Society cannot forge ahead in a manner conducive to its well being.

In conclusion may I say that if we all would devote a little time to some of the many activities of Polonus, it would help to keep our Society in the forefront for many years. A job well done brings with it a satisfaction of joy and merit, and by that token we will know that our efforts were not in vain.

Permit me to thank you all for your expression of confidence in my ability. I assure you all, that I shall do everything in my power to justify your faith in me.

Adam Kloskowski

Alfred F. Lichtenstein

It is with sincere regret that we report the death of Alfred F. Lichtenstein. He was one of the world's foremost philatelists.

He was a member of many philatelic societies, and always prominent in national and international philatelic activities. And while he was not a member of Polonus, we remember him as our guest at a BEEBA held last summer during the American Philatelic Society Convention here in Chicago.

Philately has lost a staunch supporter and one of its most enthusiastic collectors. Polonus joins the philatelic world in extending sympathy to his family.

TID-BITS FROM POLONUS

Polonus has passed another milestone. The Polpex '47 show is now just a memory. It had its variety and was the first Polpex show where an exhibit of an overseas member was shown.

There will be a fine exhibit of Lithuania, Central Lithuania and Memel at the K. of L. Youth Center, 2453 W. 47th St. Chicago, on April 12th and 13th, 1947, sponsored by the Lithuania Philatelic Society, a society of specialists of Lithuania. The Polonus Bulletin is being received with great enthusiasm by collectors in Poland. Many letters have been received by the editor and the secretary complimenting our Bulletin. Other letters request exchange of stamps and philatelic information.

Congratulations to Mr. L. J. Zeller for his winning of a second award for his fine collection of Poland at the Cleveland Stamp Club, 15th Annual Exhibit.

Congratulations also to Mr. Ben Reeves for his first award in the Misc. class at the Austin Philatelic Society show. Ben won this award with his educational exhibit of the History of precancels.

Our sincere thanks to members, dealers and visitors to Polpex for the donations left by them at Mr. R. Reinowski's table for the Stamps for the Wounded. Material is needed all the time, so if you have any duplicates or other philatelic material, bring it down to the meeting or send it to the secretary who will in turn send it to the Committee, Stamps for the Wounded.

To all members in Chicagoland, how about coming to the meetings more often/ Come and take part in all the discussions, your opinion is always needed. I know that members outside of Chicago would gladly come if they could. So, how about you?
